ROAD AND BRIDGE MECHANIC

Department: Public Works
Description Approved: May 2017

Salary: \$18.16-\$24.46/hour
FLSA: Non-Exempt

DEFINITION OF WORK:

This is a safety sensitive position exercising a high degree of discretion, trust and confidence performing repairs and maintenance on the County fleet of equipment. Responsibilities include participation in field activities when necessary, performance of a variety of tasks such as scheduling, ordering parts and performing safety inspections. This position requires a high level of problem solving ability as well as initiative, ability and willingness to work a majority of the time without direct supervision. Persons in this position use independent discretion and judgment within established organization policies and procedures.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

(The following examples are illustrative only and are not intended to be all-inclusive.)

- Performs routine and complex maintenance and repair on vehicles and equipment, body repair and painting
- Inspects defective and malfunctioning equipment and performs diagnostic tests using engine and charging system analyzers, pressure gauges and other equipment
- Tests hydraulic repairs on pumps, motors, hoses and valves
- Dismantles and overhauls internal combustion engines, pumps, auxiliary equipment, generators, compressors, clutches and transmissions
- Performs service calls in the field
- Performs electric and acetylene welding and fabrication
- Diagnose and repairs electrical system
- May recommend repair by a primary repair facility when necessary
- Reports for off duty work for emergency operations for Public Health, Safety and Welfare
- Other duties as assigned

EDUCATION, EXPERIENCE AND CERTIFICATIONS

Education: High school diploma, GED or equivalent

Experience: Four years of auto/diesel mechanical experience or equivalent combination of education and experience

- Ability to read and interpret documents such as safety rules, operating/maintenance instructions and procedure manuals
- A valid State of Colorado Class A CDL is required
- Must possess and maintain ASE Certifications as required
- Understanding of computer controlled engine systems
- Pre-employment physical and substance abuse test may be required

WORKING CONDITIONS:

Work Environment: Work is generally scheduled Monday through Thursday and involves on-call duty which requires working some weekends and holidays. Travel by vehicle is required to reach work sites. Incumbent is exposed to the following environmental factors: year-round outdoor weather conditions, work near moving mechanical parts, work in or near moving traffic, fumes or airborne particles, toxic or caustic chemicals and vibration.
