Elbert County Emergency Management receives support from all of our local responders and public offices for these training initiatives and we would like to extend our thanks for their support. Responders and 911 dispatchers often rely on trained spotters to help inform the emergency systems of dangerous weather in our area!

Your Local responders in these training locations are:

Kiowa Fire Protection District - Elizabeth Fire Protection District
Elbert County Sheriff’s Office - Kiowa Police Department –
Elizabeth Police Department

Elbert County Emergency Management would also like to extend our thanks to The Elizabeth Fire Department and Elbert County for providing these training locations!
