Extension Report

Sheila reported that 19 kids did not take a carcass class, 9 kids did not take the meat quality assurance class and that they were notified. Colorado 4-H Foundation truck will be at the fair again this year and they will be selling raffle tickets on Friday August 2nd and Saturday August 3rd. They would like to park the truck outside of the east door at the market sale. Would like some security in the exhibit building for vendors so that the building does not have to be locked at 6pm. It was suggested that we put snow fence up to separate the vendors from the rest of the building at 6pm. Judges are secure for the open classes. Vets are secure. Ruff stock chutes will be installed this week. Exhibit building will start remodel this week.

New Business

1. Music for the BBQ will be paid for by the Market Sale Committee and EDCLA.
2. Ranch Rodeo will need someone to take over this year; Russ Steen will not be there this year. Dave Rook will talk to Russ to see if he had anyone in mind.
