Homeowners Association and Covenants Statement

This form must be signed regardless of your knowledge of an existing active or inactive homeowners' association.

As part of your application for a building permit in Elbert County, you are requested to contact the Architectural Control Committee or Homeowners' Association in your neighborhood to obtain their approval of your plans prior to applying for a building permit.

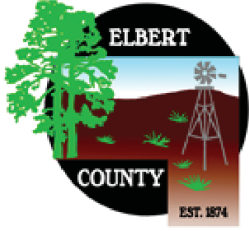

By signing below, you are attesting to Elbert County that to the extent that such entity exists, you have contacted them for review and approval of your plans.

Please be advised that Elbert County does not enforce protective covenant or police violation of such covenants. You are responsible for the necessary compliance with covenants applicable to your project. This notice is a public record and will be provided to any HOA that request to view or copy it.

By signing, I hereby certify that I have read, understand, and will comply with all of the above;
