December 7th Water Advisory Meeting Canceled

Ladies & Gentlemen,

Date: 12/4/2016

As a member of the Arkansas Basin Roundtable, I recently attended a seminar in Pueblo sponsored by DOLA (Department of Local Affairs) explaining some of the Colorado Water Plan requirements. The title of the seminar was “Integration of Water + Land Use Planning”. I contacted DOLA’s representative Ann Miller (Senior Planner) and wanted to schedule that same presentation for our December 7th meeting. We ran into a couple of late conflicts and have had to reschedule for the January 4th meeting. Due to the conflicts and possible foul weather on Wednesday, we decided to cancel this month’s meeting.

Have a Merry Christmas and a Happy New Year and see you, next year, January 4th at the Elizabeth Library.

Regards,

Bob Ware
