

Elbert County accepts electronic (.pdf) submission of information for all building permit applications

Note: Select documents may need to be submitted in a hard copy format. Staff will assist applicants in identifying those specific documents. If applicable, these select hard copies can be mailed or delivered to P.O. Box 7, 215 Comanche Street, Kiowa, CO 80107.

Electronic Submittal Requirements and File Naming Standard

All plans MUST be designed to the 2018 I Codes

- Electronic documents must be in .pdf format (note file size cannot exceed **150mb**).
- Multiple documents may be transmitted in one .pdf file based on file type (Ex. Architectural plans)
- Email digital submission to jenny.white@elbertcounty-co.gov and copy faith.mehrer@elbertcounty-co.gov
- File Names: files shall be named using the following convention:

[Project Name] . [Project Type-Document Title] – [Date].pdf

‘Project Name’: Last name of applicant/owner

‘Project Type’: New res; barn; garage, etc.

‘Document Title’: Architectural; foundation; trusses, etc.

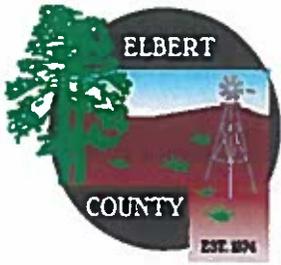

‘Date’: date of your submittal

Pre-
Manufactured
Group U

Submittal check List and **File Name Examples:**

- Site Plan: **Lancaster.GroupU-4.1.2020.pdf**
- Completed application: **Lancaster.GroupU-4.1.2020.pdf**
- Specifications for unit being installed; **Lancaster.GroupU-4.1.2020.pdf**

Permit applications are accepted Monday through Thursday 9:00 AM – 1:00 PM

Elbert County Community and Development Services

You must submit a site plan, along with the attached document, for approval through the Community and Development Services Department **before submitting an application for a building permit.** Elbert County may request that you submit a site plan that is stamped by a licensed surveyor if there are any concerns with slope, floodplain, or no build areas.

Upon site plan approval, you will turn your site plan, and the attached document containing approval signature, to the Building Department at the time you submit your building permit application.

This is referred to as the Community and Development Services Sign off Sheet on the building permit checklist.

A site plan is not required if your project does not change the footprint of a structure (basement finish, like for like deck replacement, etc.) **however**, the attached document must still be reviewed and approved by Community & Development services for compliance with zoning. For basement and other interior finishes, you must supply CDS with a drawing of the layout of your project, including labeled rooms and uses.

Your detailed site plan MUST include:

1. Address of property
2. North arrow
3. All streets adjacent to the property
4. All easements, no build, flood plain, slopes of greater than 20%,
All existing structures AND proposed structure
5. The distance of the proposed structure from the property boundaries
6. Driveway slope, width and location (for new residences)

POLICY FOR "U" OCCUPANCY BUILDINGS

1. Group "U" Occupancy strictly applies to the following structures;
 - Agricultural buildings
 - Aircraft Hangars, accessory to a one-or-two family residence
 - Barns
 - Carports
 - Fences more than 6' high
 - Grain Silos, accessory to a residential occupancy
 - Greenhouses
 - Livestock shelters
 - Private garages
 - Retaining Walls
 - Sheds
 - Stables
 - Tanks
 - Towers

2. The 2015 Colorado Chapter ICC approved Pole Barn Construction Guidelines (see attached) may be used without the need for additional engineering, where all of the following conditions comply:
 - a. The structure is no larger than 40' x 32' x 12' high side walls.
 - b. Rectangular shaped barns must maintain a minimum 5:30 ratio
 - c. Post spacing is limited to 8' on center spacing
 - d. 2" x 6" diagonal bracing is required at every corner and a maximum spacing of every 25' along sidewalls, secured to posts and at each brace to girt location
 - e. Minimum post hole (footing) diameter of 24" x 48" deep with hold down straps of either treated wood cleats or (2) #4 rebar through bottom of post.

3. In conjunction with the completed 2015 Colorado Chapter ICC approved Pole Barn Construction Guide, a complete set of construction drawings may be requested.
4. Monolithic foundations greater than 750 sf must be designed by a licensed Colorado Engineer.
5. In all cases, the final grade shall be sloping well away from the structure on all sides. A minimum slope of 6 inches in the first 10 feet is required. Down spouts must discharge into the extensions to direct water away from the building.
6. I hereby acknowledge that I have read and understand the policy. By signing below, I attest that this is a Group U structure, and will be used and occupied accordingly. Furthermore, I specifically understand that Group U Occupancy is not a dwelling, and has no dwelling within.

RED IRON CONSTRUCTION INFORMATION

THIS PERTAINS TO ALL STEEL BUILDINGS

Barns – Out Buildings – Arenas – Detached Garages and other Structural Steel Buildings.

Any buildings of red iron construction, must have an engineered letter and a cover sheet with Elbert County's wind load, snow load and exposure. The letter must also contain welding certifications or structural assembly with bolts.

Minimum caisson requirements for red iron buildings are as follows: (A foundation plan indicating the following must be submitted).

1. 48" minimum hole depth.
2. Hole must be at least 3" bigger in diameter than beam base.
3. 3 # 4 rebar placed vertically tied at the top, middle and bottom.

In addition, ALL Red Iron Buildings must have the following:

1. Engineered Foundation Design: designed and stamped by a Colorado Licensed Engineer with the original stamp and signature on the plans.
2. Engineered plans that are site specific.
3. A third party bolt inspection, by a certified structural welding and bolting inspector, is required prior to the Elbert County final building inspection. This inspection is the responsibility of the property owner. A letter of inspection must be provided upon final inspection by Elbert County.

HOME OWNERS ASSOCIATION AND COVENANTS STATEMENT

PLEASE NOTE: YOU MUST SIGN THIS FORM REGARDLESS OF YOUR KNOWLEDGE OF AN EXISTING ACTIVE OR INACTIVE HOMEOWNERS ASSOCIATION

TO: APPLICANTS FOR BUILDING PERMITS

RE: COMPLIANCE WITH PROTECTIVE COVENANTS

As part of your application for a building permit in Elbert County, you are requested to contact the Architectural Control Committee or Home Owners' Association in your neighborhood to obtain their approval of you plans prior to a building permit being issued.

By signing below, you are attesting to Elbert County that to the extent that such entity exists, you have made contact with them for the review and approval of your plans.

Please be advised that Elbert County does NOT enforce protective covenants or police violations of such covenants. You are responsible for the necessary compliance with covenants applicable to your project. This notice is a public record and will be provided to any HOA that requests to view or copy it.

All building permit applicants must sign below regardless of whether or not restrictive covenants or an HOA exist with relation to the subject parcel.

BY SIGNING, I CERTIFY THAT I HAVE READ, UNDERSTAND & WILL COMPLY WITH THE ALL OF THE ABOVE:

VERY IMPORTANT

Regarding Engineered Foundations:

**Elbert County Requires that the following items be inspected
by the engineer of record on your project;**

1. Open hole (if required by engineer)
2. Pier/caisson placement
3. Footing size and steel placement
4. Foundation wall
5. Concrete encased electrode (as required July 1 by 2005 N.E.C.)
6. Beam placement
7. Perimeter drain
8. Water proofing
9. Any additional inspection requested by the Building Official

Inspection letters with original wet stamp must be submitted prior to issuance of Certificate of Occupancy.

If you have any questions regarding this notice please contact the Elbert County Building Department at 303-621-3135.
