Community and Development Services (CDS) will be able to help with questions related to land use and zoning.

Items like those listed below would be best addressed by CDS;

- Setback requirements
- What is allowed on pieces of land in certain zone districts
- Whether or not you can build a mother-in-law suite on your property
- Whether or not you can conduct business out of a structure on a certain property
- You are buying land and want to make sure it is zoned properly for what you would like to use it for.
- If you have a concern with activity on a certain piece of land, and you want to find out if the use is a violation of Zoning Regulations.
- If you have a large piece of land that you want to divide into smaller parcels.
- If you already own a piece of land and you want to run a business from it, but you're not sure where to start.

If you need help from CDS, please reach out to the following contacts;
